Report of the Trustees for the Year Ended 31 May 2024

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 May 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objects of the charity are to promote the social, educational, cultural and environmental wellbeing of the people of the Western Isles and in particular the residents of the areas known as Point and Sandwick i.e. those areas otherwise known as Sandwick and the Eye Peninsula and for the purposes hereof defined as comprising the whole area from and including North Street in the west to Tiumpanhead in the East and by all or any of the following means:

(i) the promotion of the community development, including rural regeneration, following principles of sustainable development, where "sustainable development" means development which meets the needs of the present without compromising the ability of the future generations to meet their own needs;

(ii) the provision of assistance to people who are disadvantaged by reason of age, ill-health, disability, financial or other disadvantage;

(iii) the promotion of education, including all forms of training for work and life skills;

(iv) the advancement of the arts, culture, and heritage, including support for the gaelic arts and the protection of buildings and sites of architectural or historic importance;

(v) the provision and support of recreational activities for the community, especially for disadvantaged or vulnerable groups, such as young people or the disabled;

(vi) the protection and enhancement of the natural heritage and environment;

(vii) the relief of poverty in such ways as may be thought fit.

Significant activities

In November 2015 the Beinn Ghrideag Wind Farm was fully commissioned and handed over to Point and Sandwick Power Limited, the Trusts wholly owned subsidiary, to operate.

The Trust will reap the benefits of the wind farm profits over the life of the project to fund its charitable objectives for the benefit of the Isle of Lewis and the wider Western Isles.

Report of the Trustees
for the Year Ended 31 May 2024

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The charity began the year 2023-24 in a strong financial position and was able to fully engage in a wide range of charitable activity in accordance with its founding principle as set out in its constitution.

Revenue support was given to a range of local community organisations such as senior citizen groups, the local football club, community associations and others. Support for major projects such as the Garrabost Mill Trust, the Coastal trail and further development of both the Point football pitch and the Aros an Rhubha site were continued through the services of our 'in-house' consultants and/or the provision of capital funding. As part of the support of the Aros an Rhubha site developments, Point & Sandwick Development Trust purchased the ground required for Aros an Rhubha to construct an extension to the existing building. We also continued our partnership with the Woodlands Trust through the Croft Woodlands Project ensuring continued planting of native trees on croftland throughout the Western Isle and we were also able to maintain our annual payment of £55.000 to Bethesda hospice.

The Board of PST are acutely aware that extreme fuel poverty continues to be a reality for householders throughout our community and we are very proud that we have been able to continue support for households in the Point and Sandwick area that live with the reality of fuel poverty on a daily basis .Our Energy Support Unit (ESU), as managed by Muirneag Consultancy, continues to deliver support to these households by means of direct monetary support grants, specialist advice relating to their energy use and fuel costs and where appropriate signposting to other agencies that may be able to provide further support. The ESU has also developed into other areas of support such as the installation of Fire and Heat Alarms in line with statutory requirements and it is also developing a small care and repair service that will provide practical support for households in need of such help.

The above position was maintained throughout 2023-24 despite the fact that after May 2023, for reasons beyond the control of the board, no further funds were gifted to the charity in the financial year.

FINANCIAL REVIEW

Financial position

As at the balance sheet date the stand alone charity had cash reserves of £1,303,813 to take forward into 2024-25 to support its charitable objectives (2023: £2,826,382).

As at 31 May 2024 our wholly owned subsidiary Point and Sandwick Power Ltd had reserves of £3,021,820, for future distribution to Point and Sandwick Development Trust in order to further our charitable objective (2023: £2,211,964).

Combined, the group has reserves carried forward of £4,358,873 (2023: £5,061,535).

Reserves policy

In line with the reserves policy determined by the board following the cable break of 2020-21 the trust had established a reserve of £615,000 at the start of the financial year and this grew to £1,000,000 during the year.

Report of the Trustees
for the Year Ended 31 May 2024

FUTURE PLANS

Future prospects for PST remain very positive and we can look forward to our wind farm having a beneficial impact on our community for many years to come.

As we approached the end of our first five-year development plan in 2020 the board decided that a review of our operation for the next five years was necessary. Towards that end, we entered into an agreement with 'Impact Hub' Inverness to develop a plan for the next five years. The resulting new five-year plan was, as previously reported, approved at our AGM in November 2020 but due to circumstances beyond our control its actual implementation was delayed until November 2022 when we were able to return normal operations following the cable break in 2020/21.

Looking to the future PST will remain focused on delivering our charitable objectives and will continue to support the community in accordance with our founding principles by providing appropriate help where needed. In addition to supporting community organisations our new emphasis will be to deliver capital investment to local projects that bring lasting benefit to members of our community.

In terms of renewable development Calum Macdonald, our development consultant, continues his work with partner organisations looking at the development of new renewable technologies and , in particular, the development of a local battery storage facility.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Recruitment and appointment of new trustees

All the electors resident in the districts of Point and Sandwick (comprising 16 villages from Sandwick in the west of the Eye Peninsula to Tiumpan Head in the east) are eligible to register as members of the Point and Sandwick Trust. There is no deposit required for membership. The members elect the governing committee at the AGM. Sandwick North St Grazings Committee, Point Community Council, and Sandwick Community Council are entitled to ex-officio representation on the Board.

Organisational structure

Point and Sandwick Power is a trading company which is wholly owned by Point and Sandwick Development Trust. It is responsible for financing, building and operating the Beinn Ghrideag wind farm. All the net profit after the financing and running costs are deducted are gifted to the Point and Sandwick Development Trust for community benefit.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

Report of the Trustees
for the Year Ended 31 May 2024

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees (who are also the directors of Point and Sandwick Development Trust for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

Approved by order of the board of trustees on 21 February 2025 and signed on its behalf by:

N Mackenzie - Trustee

Report of the Independent Auditors to the Trustees and Members of Point and Sandwick Development Trust

Opinion

We have audited the financial statements of Point and Sandwick Development Trust (the 'parent charitable company') and it's subsidiaries (the group) for the year ended 31 May 2024 which comprise of the group and parent charitable company's Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In our opinion the financial statements:

- give a true and fair view of the state of the group and parent charitable company's affairs as at 31 May 2024 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and Regulation 8 of the Charities Accounts (Scotland) Regulations 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the group and parent charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, in the circumstances set out in note 21 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group and parent charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

Report of the Independent Auditors to the Trustees and Members of Point and Sandwick Development Trust

Matters on which we are required to report by exception
In the light of the knowledge and understanding of the group and parent charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 and the Charities Accounts (Scotland) Regulations 2006 (as amended) requires us to report to you if, in our opinion:

- adequate and proper accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to take advantage of the small companies exemption from the requirement to prepare a Strategic Report or in preparing the Report of the Trustees.

Responsibilities of trustees
As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the group and parent charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the group and parent charitable company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Our approach was as follows:

We obtained an understanding of the legal and regulatory frameworks that are applicable to the entity and determined that the most significant are the Renewable Obligation (Scotland) Order 2009, outlining the conditions for ROC Income; and those relating directly the preparation of the financial statements, that is FRS102 and the Companies Act 2006. We assessed the risks of material misstatement in respect of fraud as follows:

As part of our audit team discussion, we identified if any particular area was more susceptible to misstatement. A list of the known related parties was compiled along with an expectation of transactions between them. We then made fraud enquires of those charged with governance and confirmed our related party list.

Based on the results of our risk assessment we designed our audit procedures to identify non-compliance with such laws and regulations identified above. We corroborated our enquiries of those charged with governance by a review of the board minutes to date, a review of the bank statements to date, a review of the quarterly management accounts submitted to the bank along with covenant tests, and a review of legal fees charged in the year for any evidence of legal or regulatory issues. Our considerations at planning were corroborated and no further legal or regulatory issues were noted.

We considered the risk of fraud through management override. Given the size of the entity, no accounting software is used by the client, and so testing of journals for example was considered unnecessary. Instead, a review of the year of bank statements was undertaken, to identify any large or unusual transactions. No transactions outside the normal course of business were identified.

Given the size of the entity, segregation of duties is limited, so we designed our audit procedures to identify and to address any material misstatements arising from this. Appropriate approval controls were found to be in place.

As the subsidiary of Point and Sandwick Community Development Ltd, we have considered any instance of non-compliance by the parent company and subsequent effect on the group. We are auditors for all entities within the group.

The engagement partner's assessment of whether the engagement team collectively had the appropriate competence and capabilities to identify or recognise non-compliance with laws and regulations concluded that the overall risk was of fraud and misstatement was low and the experience of the audit team assigned was sufficient and no specialists were required. An appropriate level of materiality has been calculated in consideration of the inherent difficulty in detecting irregularities along with the perceived level of risk.

There are inherent limitations in the audit procedures described above that result in an unavoidable risk that some material misstatements in the financial statements may not be detected, even though the audit is properly planned and performed in accordance with International Standards on Auditing (UK). The further removed non-compliance with laws and regulations is from the events and financial transactions in the financial statements, the less likely the auditor is to become aware of it or recognise non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment through forgery, collusion, omission or misrepresentation. The primary responsibility for the prevention and detection of fraud rests with both those charged with governance of the entity and management.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Report of the Independent Auditors to the Trustees and Members of Point and Sandwick Development Trust

Use of our report

This report is made solely to the group's and parent charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006, and to the group's and parent charitable company's trustees, as a body, in accordance with Regulation 10 of the Charities Accounts (Scotland) Regulations 2006. Our audit work has been undertaken so that we might state to the group and parent charitable company's members and the trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the group and parent charitable company and the group's and parent charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the Financial Statements
for the Year Ended 31 May 2024

1. ACCOUNTING POLICIES

Basis of preparing the financial statements
The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The presentation currency is Pounds Sterling - £.

The accounts are rounded to the nearest £1.

Preparation of consolidated financial statements
These financial statements relate to both the charity Point and Sandwick Development Trust and its wholly-owned subsidiary, Point and Sandwick Power Limited. All inter-company transactions and year-end balances are removed on consolidation.

Going Concern
The Charity is a going concern and there are **no** material uncertainties casting significant doubt over its ability to continue as a going concern.

Critical accounting judgements and key sources of estimation uncertainty
The area of the accounts susceptible to the use of significant judgements or estimates is that of the area of Tangible Fixed Assets and the estimation of both useful economic life and residual value.

Useful economic life and residual value impact on the carrying value of the assets in the accounts and on the depreciation charged to the profit and loss account in the period.

The trustees have used an estimate of 25 years for the estimated useful economic life and of £nil residual value as the terms of the planning consent require the site to be restored to its pre wind farm state when the planning consent expires.

The trustees have elected to depreciate fixed assets over a 3 or 5 years on a straight line basis, as appropriate.

Income
All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether capital grants or revenue grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

Expenditure
Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

1. ACCOUNTING POLICIES - continued

Tangible fixed assets
Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Development costs	- 20% depreciation on cost
Plant and machinery	- 4% depreciation on cost
Fixtures and fittings	- 33% depreciation on cost and 20% depreciation on cost

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date. If such indication exists, the recoverable amount of the asset is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in profit or loss unless the asset is carried at a revalued amount where the impairment loss is a revaluation decrease.

Taxation
The charity is exempt from corporation tax on its charitable activities. The corporation tax referred to in the Financial Statements is suffered by the trading subsidiary.

Fund accounting
Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits
The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Investment income
The charity has loaned funds to its wholly owned subsidiary - Point and Sandwick Power Ltd - in order to further the charities objectives via income from a Community Wind farm being developed by Point and Sandwick Power Ltd. These funds include both grant funding received from BIG Lottery and Social Investment Scotland and loan funding received from Social Investment Scotland and Social Investment Scotland Community Finance.

The charity are charging the interest charges levied by Social Investment Scotland and Social Investment Scotland Community Finance at cost to Point and Sandwick Power Ltd.

The Trust are not charging interest to Point and Sandwick Power Ltd on grant based borrowings, as the loans are in furtherance of the Trusts charitable activities.

Fund accounting

Point and Sandwick Power's finance agreement with its lender is tightly controlled such that the accounts reflect windfarm income and expenditure in the restricted funds. The only element of wind farm income treated as unrestricted equates to the dividends authorised by the lender to be paid to the charity. This policy will be reviewed when the loan finance has been repaid.

Debtors and creditors
Trade and other debtors are recognised at the settlement amount due after any trade discount offered.
Prepayments are valued at the amount prepaid net of any trade discounts due.

continued...

Notes to the Financial Statements - continued
for the Year Ended 31 May 2024

1. ACCOUNTING POLICIES - continued

Investment income
Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

The bank loans are secured by way of a fixed and floating charge over the entire assets of the company in favour of Santander UK Plc.

Point and Sandwick Development Trust have also entered into a Share Pledge in respect of its shareholding in Point and Sandwick Power Ltd in favour of Santander UK Plc as security for the loan finance.

Subsidiary loan funders, Renewable Energy Investment Fund, Social Investment Scotland and Social Investment Scotland Community Finance also hold security over the company assets ranking behind that of Santander UK Plc.

20. RELATED PARTY DISCLOSURES

The charitable company owns 100% of the share capital of Point and Sandwick Power Limited, a company registered in Scotland, at 26 Lewis Street, Stornoway, Isle of Lewis, HS1 2JF.

At the balance sheet date the amount owed to Point and Sandwick Development Trust was £17,998 (2023 : £35,131).

At 31 May 2024, the balance related entirely to funds loaned to Point and Sandwick Development Trust by Social Investment Scotland Community Finance, the funds for which were loaned to the company to develop the Beinn Ghrideag community wind farm. Interest is charged to the company at cost. The balance of funds does not attract interest. The interest charged in the year in the profit and loss account amounted to £1,1543 and this is included within the sub debt interest payable figure.

Loan repayments amounting to £17,133 were repaid to Point and Sandwick Development Trust.

During the year the company paid a donation to Point and Sandwick Development Trust of £Nil (2023 : £3,800,000).

During the year the company paid management, administration and project development services to Beinn a Bhuna LTD, whom a director of Point and Sandwick Power also acts on behalf of as a director. This is as provided for in the service agreement between Beinn a Bhuna LTD and Point and Sandwick Power Limited amounting to £72,600 (2023: £72,600).

21. FRC ETHICAL STANDARD - PROVISIONS AVAILABLE FOR SMALL ENTITIES

In common with many other businesses of our size and nature we use our auditors to prepare and submit returns to the tax authorities and assist with the preparation of the financial statements.
